

# AAA School Safety Patrol™

# Introduction

---

## Well Established

Since 1920, AAA School Safety Patrol has promoted safety, leadership and volunteerism among students.

## Network

More than 650,000 kids in more than 34,000 schools across the country are proud to be a part of this unique program.

## Community Impact

AAA School Safety Patrol™ benefits students, schools and the communities they serve.

# Proven Improvements to School Zone Safety

---

Through a data collaboration with Zendrive we were able to confirm that when a community operates AAA School Safety Patrol, the “grade” of traffic safety improves one to two notches on average (e.g. from a “B” grade to an “A-” grade).

# AAA School Safety Patrol™

AAA provides training materials and equipment to schools **free** of charge.

## Students

AAA School Safety Patrollers gain safety awareness and leadership skills.

## Schools

Schools increase traffic safety along walking routes, bus loading zones and carpool areas.

## Communities

The community gets a safer environment for pedestrians and motorists.

# Safety is our #1 Priority

---

## Safety

All Patrollers must act, feel and be safe.

Patrol Advisor is responsible for the program and for guiding the patrollers.

No adult present = No patrol

## Equipment

Equipment and training materials are provided free.

Students must learn to use equipment and follow procedures.

Some equipment can be reused.

## Local

AAA will deliver material and support our program.

They offer guidance in setting up our program.

AAA School Safety Patrol awards offers grants to winning schools.
