

Back-to-School Safety Season

Objective:

Kick off the school year by promoting safe habits, encouraging student leadership, and helping students make smart choices at school and in their community.

Optional:

Introduce AAA School Safety Patrol if your school participates or is interested in learning more.

Time

20-30 minutes

Materials (From Your Kit):

-  Sticker: “Safety Starts With Me”
-  Reflective wristbands
-  Back-to-School: Safety Starts With Me Slides
-  Safety Starts With Me Challenge

Step 1: Quick Start

-  Pass out stickers + giveaway item
-  Ask students: “What does safety mean to you/or at our school?”

Step 2: Mini Lesson (10-15 min)

-  Use provided content: Back-to-School: Safety Starts With Me

Step 3: Take the Challenge

-  Have students place sticker on shirt/backpack/waterbottle (unless you want worksheet completed before student receives a sticker)

Step 4: Engagement

-  Complete Safety Starts With Me Challenge

Options:

-  Send home Monday or Tuesday
-  At the end of the week if the student brings back their checklist they can receive the sticker
-  Display worksheet in classroom with name of student (preferred)

Step 5: Keep Going

 Identify how to keep the school safe

 Have students who that are interested fill out School Safety Patrol application

School Safety Patrol Connection

 Explain how some students can become SSP leaders
